INVITATION TO BID

The Calhoun County Commission will accept sealed bids for certain food and non-food items purchased for the Calhoun County Jail. Bids will be received at the Ken Joiner Administration Building 1702 Noble Street, Suite 103, Anniston, Alabama 36201, until **2:00 p.m., Tuesday, August 04, 2026**. At that time, bids will be opened, read and recorded. The contract period will be for one year, beginning on the date of the award, with the option to extend annually for two additional years, if agreeable with the selected bidder.

Overall guidelines for the bid process are listed in the section attached and designated as "General Bid Instructions." Bidders submitting bids should read the instructions very carefully. If the bid documents are not submitted properly, it may result in disqualification and the bid being rejected.

In the bid submission process, an authorized company representative should complete the "Bid Submission Form" and attach the form to the specification sheets containing price quotations submitted.

The Calhoun County Commission reserves the right to reject any or all bids. Bid awards will always be in the best interest of the Calhoun County Commission. Questions concerning bids and submission should be directed to Eric Starr, Jail Administrator, telephone number (256) 241-8023.

GENERAL BID INSTRUCTIONS

All bids must be sealed and marked "FOOD BID" with the bid opening date and time marked on the outside of the envelope containing the bid.

Records showing successful bidders and prices quoted will be placed on file and will be open for inspection.

It is not the policy of the Calhoun County Commission to purchase based on low bid only. Quality, conformity with specifications, purpose for which required, terms and dates of delivery, payment terms, and previous experience with vendors will all be factors in determining an award of the bid.

In the bid submission process, the bid price and indicated specifics should be inserted into the blanks provided beside the product description. Upon completion of the prices for all products on which bids are submitted, the "Bid Submission Form" should be completed and attached to the top sheet of the specification sheets and forwarded to the Calhoun County Commission as per instructions related in paragraph one on the first page of this invitation to bid.

BID BOND – None required

METHOD OF AWARD

The Calhoun County Commission reserves the right to award the bid in all categories on an item for item basis, a group of items basis or a multiple category basis; ability of bidder to meet delivery requests, payment terms, and availability of products. The Calhoun County Commission further reserves the right to award the bid in a manner deemed to be in the best interest of the Calhoun County Commission.

PRICING

Prices are to be quoted by the unit specified or in the event pack sizes are unknown, the bidder should specify the unit of measure offered at the price bid.

ADJUSTMENT OF PRICES

There shall be no adjustment of prices of any item during the first six (6) months after the award of a bid for any item or items.

The Calhoun County Commission reserves the right to buy any and/or all perishable items, that are not required to be obtained pursuant to a competitive bid process, from a vendor offering the same or higher quality item of the same or larger size or quantity at a price less than the selected bidder for the item bid, if after a two (2) business day notice to the selected bidder the selected bidder does not agree to match the lower price.

After the first six (6) months after the award of a bid, the selected bidder may, in the event of the rising or increased cost of an item for which his, her or its bid was selected, request an increase in the amount he, she or it is to be paid for the item, the amount of increase to be adequate to compensate the selected bidder for the actual increase in cost to the selected bidder, but in no greater

amount; in the event of such a request, the selected bidder, requesting the increase, must submit to the Calhoun County Commission for consideration documentation, certified under penalties of perjury to be true and correct by a duly authorized officer of the selected bidder, supporting the increase; the findings and judgment of the Calhoun County Commission as to whether the increase is justified and warranted and to be granted or not shall be final.

All edible food products furnished to the Calhoun County Jail at both locations shall comply with the latest standards and regulations established by federal laws, including but not limited to the Federal Food, Drug and Cosmetic Act and the United States Department of Agriculture for specified product grade. Canned fish items are subject to additional requirements which are written to specifically regulate its distribution.

Each package of frozen food delivered to the Calhoun County Jail at both locations shall be enclosed in a wrapper bearing the United States grade. The USDA lot inspection will be accepted in lieu of this requirement provided each full case bears the USDA "Officially Sampled" stamp and a certificate of certifications regarding grade is on file in the office of the County Sheriff.

All cans, packages, etc. must bear commercial labels. Brand names must be shown on the bid form in the space specifying "Brand Bid." If house brand labels are bid, the packer must be named, and the grade of the product must be clearly defined.

If the instructions, conditions and specifications of the Calhoun County Commission exceed those of any of the above-mentioned agencies, the instructions, conditions and specifications of the said Commission shall be precedent and supersede less requirements.

INSPECTION AND SATISFACTION OF SPECIFICATIONS

A sample of any requested product shall be furnished by the selected bidder(s) at no charge to the Calhoun County Commission for the purpose of assessing specification compliance, and upon request and from time to time upon request to assure the ongoing quality of all products.

The successful bidder(s) will furnish to the County Sheriff USDA certificates or United States Department of the Interior certificates of grade on request. Any related expenses incurred in satisfying this responsibility will be borne by the selected bidder(s).

The successful bidders will guarantee all merchandise against "swells" and/or other defects for a period of six (6) months after delivery date.

LABELING

All cases, boxes, cans, etc. must bear commercial labels. All cartons, cans, containers, etc. shall be clearly marked as to specified contents.
